SANTA CLAUS'S HOME.  
I leave here Saturday at 3:15 with old Santa, and if there ad are not bad will see you on Tuesday afternoon. Santa Claus told me he was in Maysville in October and went through every store in your town, and after looking through all of them he decided to send me to your store; and oh! I am so happy, because old Santa told me that you have the nicest store in town, and the nicest clerks, and that more little children trade at your store than all the others together. Be sure and tell all the children to come and see me; and tell them I am bringing the prettiest things along with me, and so very many. Tell the children that I am bringing things for their papas, mamas and their brothers and sisters. I think old Santa Claus is bringing too many things for your town; it seems to me he is sending enough Xmas presents for a city like New York. I must stop now. Hoping to find you all well. I am, with lots of love, your little friend,  
EMILINE.

The board may accept the evidence of the immigrant's common reputation as an anarchist and orders, decrees and judgments of foreign governments and police notifications as prime fact evidence which may be deemed sufficient to prevent admission of such alien.

Then he heard moans. Summoning assistance, he made a search and found a man lying across some salt sacks. The man was dragged to the deck and found unconscious, and Monday night was at a Hoboken hospital with little chance of recovery, or indeed of ever telling his strange tale.

Investigation shows that the stranger had been boxed up in Germany in a packing case marked "J. B. 71." In the case was a small bottle which had contained whiskey and also some crumbs of bread. A piece of paper was found marked "John Beck." The box was marked in German: "This side up, with care." There was no air holes in the case and the hatch to the hold had not been opened from the time the Palatia left port until Monday.

The man was well dressed, evidently a German about 30 years old. He had less than a dollar in German money in his pocket. ## SYRUP OF FIGS

NEVER IMITATED IN QUALITY.

### An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, Syrup of Figs, manufactured by the California Fig Syrup Co., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinal laxatives and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, cleansing the system effectually, dispelling colds, bronchitis and fevers, and cures promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the California Fig Syrup Co. only. In order to get the beneficial effects and to avoid imitations, please remember the name of the company printed on the front of every package.
